

NEWTRO KOREAN STYLE HARD SELTZER

Making Retro New

What's old is new again! Inspired by a traditional Korean fermented rice beverage called makgeolli, Newtro brings the cloudy, full body of the original courtesy of rice flour while a burst of fresh mango and lively carbonation bring it back into familiar hard seltzer territory.

Makgeolli is a communal beverage and we hope you enjoy Newtro Korean-style hard seltzer surrounded by good friends, good food, and great memories!
